

Bible & Book of Mormon Chronology Flow

Version 2.0

by Bruce T. Forbes, 2013, 2014

PART ONE: The Era of the Patriarchs

Most dates in this section are as established by Ussher, which is the same dating system used in the LDS Bible Dictionary. Other dates are from the work of John P. Pratt.¹ These dates are according to the best scholarship possible and are subject to human error.

Events outlined are from the King James Bible, the Joseph Smith Translation (which includes the Book of Moses), and the Doctrine & Covenants sections 84 & 107. Dates for Enoch vary from traditional biblical timelines due to the differences between the Book of Genesis and the Book of Moses – I have used the dates in the Book of Moses for the life of Enoch. As I study and research, there may be changes to this chronology.
