

# BOOK OF MORMON PROPHETS

compiled by Bruce T. Forbes 1985

The following is a list of prophets who lived in the Book of Mormon times and territories. In the "Life Recorded" column is listed the scriptural reference during which their life occurred; and in the "Other References" column is listed any other scripture reference concerning them. Numbers in superscript correspond with the numbers used in the Book of Mormon Index, 1981 Edition.
